

MODEL CFC CLEARFIRE CONDENSING BOILER BURNER CANISTER WARRANTY

In addition to our Standard Warranty, Cleaver-Brooks warrants the burner canister of this boiler for a period of five (5) years from the date of shipment when installed in accordance with Cleaver-Brooks installation documentation and operated in accordance with the Operation/Service Manual.

This warranty covers failure of the canister (not including failed gaskets), which, from our inspection, are attributed to material or workmanship. This warranty does not cover damage or failures that are attributed, by our inspection, to corrosion resulting from corrosive ambient conditions, contaminated air supply, operation at improper gas pressure, improper gas flow, accumulation of dust, or other improper service, operation or neglect.

Cleaver-Brooks' liability hereunder is limited to furnishing a replacement canister as deemed necessary by our inspection. Cleaver-Brooks is not responsible for shipping, handling, installation and other costs, including all costs associated with the removal and disposition of the old canister or component parts. In no event shall Cleaver-Brooks be responsible for any incidental, consequential or other damages, including, without limitation, any damages resulting from loss of use of the boiler.
